## **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Kurt M. Berger on March 2, 2006.

The application has been amended as follows:

Claim 6 (Currently Amended), in line 5, delete "cell information".

## Allowable Subject Matter

- 2. Claims 1-7 are allowed.
- 3. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest the recited combination of elements or steps of independent claims 2 and 7, including in part, cell information extracting means for extracting neighbor cell information items identifying respective neighbor cells of each of said plurality of cells, including a first cell and a second cell utilized by the mobile station for communication with the base station and cell rank determining means for, based on the extracted neighbor cell information items ranking the neighbor cell information items that the mobile station is to be notified of, wherein the cell rank determining means favors neighbor cell information items common to the first cell and the second cell out of the plurality of cells.

Application/Control Number: 10/726,540

Art Unit: 2688

4. In addition, the prior art of record does not teach or suggest the recited combination of elements or steps of independent claims 1 and 6, including in part, cell information extracting means for extracting neighbor cell information items identifying respective neighbor cells of each of said plurality of cells, and cell rank determining means for, ranking the neighbor cell information items that the mobile station is to be notified of, based on the extracted neighbor cell information items and on predetermined priority information for the respective neighbor cells.
